STATE DEPT. ARCHITECTURE APPROVES CONSTRUCTION OF WOODROW PRIMARY

Final approval for the construction of the Woodrow Wilson four classroom primary unit has been received from the State Department of Architecture and the district has issued a call for bids on the project, according to a report made by Superintendent James Snell at the Board of Trustees meeting January 25.

The Board also adopted a policy concerning the granting of permanent status to teachers eligible for tenure on the recommendation from Snell. The recommendation was:

"That permanent status be granted by the Board under the following conditions only.

1. That the teacher concerned be unanimously recommended for permanent status by both the superintendent and the principals under whom she has taught during her employment in the district.

2. That she show evidence of professional growth by meeting the minimum training requirements as outlined in the salary schedule.

The Board voted to transfer Etienne Galliano to the Crocker school to replace Carl Anderson, who has resigned. The price of milk to students was also raised to 5c until the present graham cracker supply is used up; after which the price will be lowered to 4c again and no crackers will be served.

THIS IS THE "HOLE" STORY!

While walking through the vacant lot between Mission and Miriam streets north of George's Cafe on Saturday evening, January 22, at 8:23 p.m., Dallie Sutton of 259 Miriam street fell into a hole which was approximately 12" wide, 4' long and 24" deep; probably dug by children while playing.

At Junipero Serra Hospital Sutton was released following treatment for a back injury.

Fire Department Gets Five New Men

Five new members of the fire department, high men on civil service eligibility lists in their respective districts, were appointed to two fire companies by the city council Monday.

The fire commission had requested the new fire fighters to bring manpower requirements in Companies Two and Four up to par.

Appointed for duty with Company Two were Keith McCowen and John Coleman. Robert Alexander, Benjamin Slatter and David Newman were called for duty with Company Four.

The Volunteer Fire Department consists of four companies: No. One, on Santa Barbara avenue off Hillcrest drive; No. Two, at Parkview avenue and Santa Barbara avenue; No. Four, on Peoria street at Roosevelt street, and No. Six, on Station avenue.

Two former fire houses, on Peoria street and Bellevue street, are now used for recreational purposes by the recreation department.

Auto Seriously Injures Man, 69

Theodore Paul Bahr, 6732 Mission street, was seriously injured Monday night when he was struck by an automobile on Mission and Westlake avenue.

Attendants at the Junipero Serra hospital said the 69-year-old man was suffering from a fractured arm, lacerations, contusions and abrasions but that he was not in critical condition.

William Allen Phillips, 701 Templeton avenue, driver of the car, said Bahr stepped in front of his moving automobile and that he was unable to stop in time to avoid hitting him.

State Retirement System Grows Rapidly

Growing from 51 employee members, comprising two public agencies, in 1940, to 22,660 members, representing 183 public agencies, in 1948, the State Employees' Retirement system now has assets of $112,107,143.21, according to a report by the board of administration of the retirement system.

The system is supported by funds contributed both by employees and public agencies acting as employers, and provides retirement benefits for public employees, who are not included in Federal Old Age Benefit Act provisions.

A total of 183 cities, counties and school districts have joined the State Retirement System to provide protection to their employees.

Municipal employees of Daly City joined the system in 1946, after approval was secured at the regular election that year. Employees of the Jefferson Union High School district also participate.

Car Stolen, Others Have Parts Taken During Past Week

Keep your car in the garage at night if you care to find it in one piece the next morning. Take it from Mrs. Peter Cava of 429 Knowles avenue who reported on Monday that her car, a 1936 Dodge sedan, had been stolen.

However, Angelo Crudo, of 24 Hillcrest drive, fared pretty well. He reported to police on Sunday, January 23, at 3:30 that someone had stolen four brand new hub caps from his auto and replaced them with four old ones.

Francisco Ferrando, who had his car parked at Vista Grande and Santa Barbara avenues, discovered at 10:30 a.m. on Friday, January 21, that two bar hubs for 16" wheel were missing.

Peter Aloise, 207 Hillcrest drive, found the fender skirts missing from his 1941 Ford coupe which was parked in a vacant lot on Los Olivos near San Diego avenue. They were reported stolen on Sunday, January 23, at 10:15 a.m.

John Lucia, of 281 Niantic avenue, is having his troubles, too. Someone walked off with his bicycle from the Lake Merced Golf Course on Saturday afternoon. The bike was estimated to be valued at $65.

MABEL'S RECOVERING

Completing her third month in Children's Hospital, San Francisco, is Mabel Garibaldi, 13 years of age, of 155 1st avenue, Colma, San Mateo county. A ward of the March of Dimes, Mabel is shown with Head Nurse Iola Barbier. Mabel is looking forward to resumption of her classes at Jefferson grammar school in Colma.

Young Guitarist

Robert Mertens, son of Mr. and Mrs. Russell C. Newby, 578 San Diego avenue, will take part in Budda's Marin Dell Amateur hour program at 8 p.m. Saturday, January 29. Robert, who plays the Hawaiian electric guitar, will also play at the Brisbane Theatre amateur hour February 3.

At Last --- Band Gets New Trousers

At the regular meeting of the Daly City Council held Monday a resolution was passed for appropriation of $300 to be given to the Daly City Band toward purchase of new trousers. The band also recently received a $350 donation from the Daly City Merchants association. The new trousers will enable the band to participate in parades and other such affairs in the future.

Rickey Todhunter Is Quite A Traveler

Three-year-old Rickey Todhunter of 64 Vista Grande avenue may not know what his name is, but he does know where he lives.

Rickey, who has been staying with his grandmother, Mrs. K. Lambert of 129 Acadia street, set out to find his home and his mother, Mrs. A. W. Todhunter, one day last week. He got as far as the Bernal cut when the police brought a halt to his jaunt.

They wanted to take him to the police station, but Rickey resisted.

"No, me live up there — Daly City," he repeated over and over. He led the policemen straight to his home much to the surprise of his mother, who thought he was still with his grandmother.

New Hancock Service Station Will Open Soon

Daly City's newest service station, located at Bepler and Mission streets, is getting its final coat of paint and will soon be open to serve the public.

Joe Lewkowitz, the independent Hancock dealer who will operate the new station, has installed a modern tire changing machine and overhead greasing equipment. The station will specialize in washing of cars and trucks as does the present Hancock station which is located behind the Bank of America. The service station also features courtesy service with quality merchandise at reasonable prices.

Gillette tires are handled by the firm as well as the high quality oil, greases and lubricants from the Hancock Oil Company.

City Tire Co. Uses Cold Rubber For Recapping Jobs

Cold rubber is now being used by the City Tire Co., 112 Sagamore street, in the recapping of tires.

The company began using the cold rubber treads because it was found that they would outwear natural rubber, giving mileage far beyond anything tire engineers thought possible. Because it gives non-skid traction, it also enables the motorist to drive relaxed. The rubber has been thoroughly tested by several large test fleets.

The City Tire Co., owned by Frank and Harold Rueckert, has also installed a new mold of the latest design for full recapping jobs.

NEW HOMES

John Dall, contractor, of 701 Mangels street, San Francisco, recently started construction on four five-room dwellings at 554, 558, 562, and 566 Templeton avenue. Cost per home is estimated at $8,000 each.

JUNIPERO SERRA TRAFFIC SIGNALS READY IN 30 DAYS

Installation of traffic signals on Junipero Serra boulevard at School street and 87th avenue is expected to be accomplished in the next 30 days, according to a report by R. A. Klassen, city engineer.

City officials had ordered installation of the signals more than six months ago.

Plans and specifications were being completed this week by engineers of Joint Highway District No. 10, which has jurisdiction over Junipero Serra boulevard maintenance, Klassen said.

Since the city will pay for one-half the construction costs with State gas tax funds, the plans will have to be approved by the State Division of Highways. Then, bids will be called for the work of installation.

The traffic signals, first on Junipero Serra boulevard south of 19th avenue in San Francisco, are expected to relieve a critical traffic situation at the crossing, caused by commercial development in the vicinity and the occupancy of more than a thousand homes in Garden Village and Broadmoor Village.

The city recently cut the speed limit on the highway from 55 to 35 miles per hour, as an additional safety measure.

Property Damage Was Result Of Car Accidents Here

Slight property damage was the result of an auto accident involving Ernest Flade, 240 Rio Verde street, San Francisco, and Wilburk Kenneth Slater, 86 Sanchez street, San Francisco. The accident occurred on Tuesday, January 25, at Mission street and Hillside boulevard.

Roy De Burkett, 1346 Ellis street, and Mary G. Stadterman, 511 Osborne, Turtle Creek, Pennsylvania were involved in an auto accident on Sunday evening, January 23 at 6:35 p. m. which resulted in minor property damages. The accident happened at the intersection of Highway No. 1 and Junipero Serra boulevard.

Michael Sullivan, 9, of 95 Caine avenue, San Francisco, escaped injury Tuesday, January 25 when he ran in front of a pickup truck at 75 Wellington avenue. The truck belonged to Joseph Ragni, 134 Acton street.

Michael was taken to Junipero Serra hospital for treatment.

Old Mission Street Bldg. Is Condemned By Council

A resolution calling for abatement of a nuisance caused by the condition of the building at 7201 Mission street was the result of a hearing at the city hall Monday night.

City building inspectors had judged the structure as dangerous from the standpoint of a fire hazard, as well as a potential health menace.

The old structure, which is now vacant, had formerly been used by an auto wrecking establishment.

The resolution gives the owners 30 days to repair the building according to building code requirements, or to wreck the building entirely.

Judge Sweeney Addresses Lions Club

Judge William Sweeney spoke on the activities of a justice court at the last meeting of the Daly City-Colma Lions Club held Wednesday at Estrada's. Charles D. Garry, an attorney, talked on the Chinese situation, at the previous meeting.

Special Diploma Presentation For Polio Victim

The recent March of Dimes drive in Jefferson School had added meaning this year and the box turned over at the conclusion of the drive was heavy wih the voluntary contribuions. The reason: Mabel Garibaldi, a member of the graduating class of '49, who has attended the Colma schools since the first grade, will not be upon the stage wih her classmates to receive her diploma this year, but will have a special bedside graduation for she is a polio victim in Children's Hospital.

Geraldine Ricordo, a former classmate and a graduate of six months ago, is also waging the fight against polio. Geraldine is in the San Francisco Hospital.

TONY GAGGERO STEPS DOWN AS MAYOR - NAMES PAUL GREEN TO TAKE OVER AS COUNCIL HEAD

A change in the organization of the city council was the first order of business at the regular council meeting Monday night at the city hall.

Mayor A. J. Gaggero voluntarily relinquished his position as Mayor, stating that he was unable to devote sufficient time to the job due to activity in his insurance brokerage business. Gaggero nominated Councilman Paul Green as his successor and Green was installed as Mayor by unanimous vote of the council.

Gaggero had served as Mayor from 1942 to 1946 and from April, 1948, until this week. Green has previously been Mayor from April to October, 1946, when he departed for Army hospitalization. Councilman Melford Battye was Mayor during the intervening period.

Gaggero will continue to serve as councilman, and said he will continue to work towards the program of civic improvement upon which the council has embarked. Green, stating that "the Mayor is merely chairman for the council," indicated the council would continue on the course it has charted and follow the same aims and policies as heretofore.

HILLSIDE MANOR

Two hearings were on the agenda for Monday's session. In one, the council adopted a resolution calling for the formation of an assessment district in Hillside Manor subdivision 2 and called for sealed bids for construction of street work in the area. Bids will be opened at the council meeting on February 14.

Another hearing, on the condemnation of a building at 7201 Mission street, resulted in an order for the owners of the property to improve the building or raze the existing structure within 30 days. The property had been condemned as a health and fire hazard.

Other matters up for consideration included acceptance of the deed to two lots acquired by the city at Alp and Mission streets as part of the proposed War Memorial Auditorium site, and a resolution approving the final subdivision map for the recent Garden Valley annex, where 60 new homes will be constructed south of Market street between El Camino Real and Hillside boulevard.

BAND UNIFORMS

An appropriation of $350 towards purchase of items of uniform for the Daly City Band was also approved. The Daly City Merchants Association will likewise contribute funds for this purpose.

Band-leader George Brenner, appearing with other officers of the band, expressed gratitude for the financial support and stated the band had invitations to appear at a number of parades and celebrations during the 1949 centennial year.

The council adjourned until next Monday, when an agreement with the Colma Fire District will be considered. The Colma District has requested Daly City to aid them in improving the Colma fire alarm procedure.

Abatement Hearing Set At City Hall, February 14

A hearing on the condemnation of a building at 18 Woodrow street, as a public nuisance, has been set by the city council for February 14, 8 p.m. at the city hall, after a report by the building inspection department.

Owners of the property will be given an opportunity to protest the condemnation at that time. Usual procedure is for the city to allow the owners 30 days in which to abate the nuisance or raze the structure.

HOSPITAL GETS MOVIE PROJECTOR

Adjutant Robert Schneider of Old Glory Post No. 2044, Veterans of Foreign Wars, and Quartermaster Roy Brulez, present a new movie sound projector to General Waldron, head of the Veterans Administration Hospital. The money for the projector was raised at the county wide V. F. W. dance held at Bay Meadows in October. Funds were raised through sales of tickets and ads to local merchants.

A CHILD IS WORTH IT

What is a child worth in terms of dollars?

To the heavy hearts of those parents who have lost children in the 1948 epidemic of infantile paralysis there is no monetary measure for evaluating the worth of their loved ones.

What parent, or what person, wouldn't strip himself of every worldly possession in exchange for a pair of overalls and the clutch of his child's hand and walk penniless and light-hearted into the world again?

Hundreds of serious, desperate cases of infantile paralysis have been snatched back from the grave by the medicines and machines, the science and the service of the National Foundation for Infantile Paralysis in California alone in 1948. Had not the techniques developed over the years of giving by our people been available more heartbreak would have hit more families.

This was made possible by YOUR contributions to the March of Dimes — and again in the closing week of this month YOU are asked again to give.

The average cost of a polio case is $2,000 — some more, some less. But a child is worth $2,000. Some cases have cost as much as $1500 a month to keep life within a wasted body and bring back health, to restore not only stricken children but stricken adults to their family circles.

Give, and give generously. The 5,811 cases in California in 1948 are for the most part yet to be cared for and cured.

The case and cure of these cases, and the never-ending quest by science to isolate the infantile paralysis germ, needs your financial aid more in 1949 than ever before.

If you don't know the name and the address of your county's March of Dimes chairman, address your contribution to your nearest post office: "March of Dimes, Care of Postmasters." The post office department will follow through.

Legislature Turns Down Change In Absentee Ballots

Answering a request put forth by several local residents for a change in the Election Code with respect to the handling of absentee ballots, Senator Harry Parkman advises that an investigation by the Senate Legislative Counsel indicates that no change in the law is necessary. Parkman answered the request in a letter to City Clerk B. C. Ross.

Absentee ballots were formerly canvassed by the city council, separate from regular ballots. A recent law requires that absentee ballots be delivered to the city clerk, and deposited in respective polling places along with regular ballots on election day.

The new procedure has been attacked by critics, who declared that, since absentee ballots are marked with pen or pencil, instead of being stamped, the indentity of the voter may be divulged. This, critics declare, destroys the secrecy of the ballot.

NEW BROADMOOR GIRL SCOUT TROOP FORMED

A new Girl Scout troop in Broadmoor has been organized and held their first meeting January 19 in the Broadmoor Community Center.

The group, Troop No. 19, is under the leadership of Mrs. Elda Carovano and Mrs. Dorothy Zanone. President is Eileen De Bernardi with Linda Carovano, secretary, Faye Orovitz as scribe, Janice Toole as vice president and Gwen Anthony is treasurer.

The troop has chosen yellow for their ties and the jonquil as their flower.

Officer Welsh High In Pistol Course

Five men from the Daly City Police Department recently completed both the training and qualifying pistol courses of the San Francisco Police Department at the police target range at Lake Merced.

High man in scoring was Officer J. Welsh. Others taking the course were Sgt. R. Petrocchi, Sgt. R. Beecher, Officer J. Walsh and Officer D. Wood.

JOY RIDING PROVES COSTLY

Pleading guilty to joy riding, at the Daly City Municipal Court Friday, was Jarrall Hugh Bond, 1223 Nimitz drive, Colma. Bond was fined $120 and given a 90 day suspended sentence. He was put on probation for one year.

Mrs. Clair Wilson of San Francisco, charged with being drunk in and about an auto was fined $75. Richard Young of Palo Alto was fined $50 on the same charge.

COUNTY OFFICIAL TO FACE TRIAL

Preliminary trial for Eugene Lee Marshall, 30, charged with grand theft and embezzling of public funds will be held in Redwood City at 10 a. m. February 4.

Marshall, business manager of Canyon sanitarium until last September, is charged with four counts of allegedly falsifying claims against the county, one count of embezzlement while a public official, and one count of grand theft, all of which are felonies.

He was arraigned before Judge Edwin McAuliffe Wednesday and was released on $1,500 bail.

CONSIDER PLANS FOR T. B. HOSPITAL

Consideration of plans for the county's new tuberculosis hospital at the site of Canyon sanitarium will be governed by three basic factors, according to a 24-page preliminary study report and draft of the project.

These are:

1. "To provide a building in which patients may receive the best of medical, surgical, psychological, and curative care in cheerful, quiet surroundings.

2. "To plan all the necessary integrated elements to create a smoothly operating institution, yet be simple in design and construction and expandable in the future.

3. "To make the hospital, through its plan, multi-purpose and not necessarily solely a TB sanitarium unconvertible in plan. There is a considered possibility that tuberculosis may at some time be greatly reduced, if not entirely eliminated."

Preparations of final plans will take several months, but construction should be started by mid-summer, Board Chairman H. W. Edmons stated. He said it was hoped to keep the cost within the $1,500,000 bond issue approved by the voters last year.

Brisbane Police Chief Dismissed

Alfred Girola, police chief of Brisbane, was dismissed last week on charges of allegedly being intoxicated while on duty, the unauthorized cashing of checks belonging to the police district, and conduct unbecoming an officer. The chief was also charged with being discourteous to residents and of charging gasoline and repair bills to the district without authorization.

Chief Girola made a countercomplaint that the commission had failed to pay $50 due him for expenses, at a mass meeting conducted by Brisbane's three-man police commission.

HARRY HAS HIS DAY

Harry Truman, former Army captain and now a prominent resident of Washington, D. C., has had some big days in his life. There was the day when he was elected to the Senate. And the day when fate put him in the White House.

There was also the day — November 3, 1948 — when it became apparent that he had scored a stunning upset in the national election. But his greatest day came last week when he was inaugurated President in his own right.

It wasn't just the inauguration, but all the trimmings that went with it. Washington really went all out for the occasion and will probably be "all in" for some time to come.

January 20 was outstanding to Harry Truman not only because it marked the beginning of a four-year term of his own, but also because it closed a fabulously successful year.

On January 20, 1948, he made a speech to his discouraged fellow Democrats and told them they were looking at the next President. Their silent answer was "Oh, yeah?" But Harry turned out to be a remarkable prophet. As a result he has solved his housing problem for the next four years and has walked into a fat salary increase.

For a fellow who not so many years ago was pushing a plow and not so many months ago was pushing off the wolves in his own party we'd say he has done pretty well in politics.

Now, our hope is that he can do just half as well in the administration of national affairs during the next four years.

HOW ABOUT HAWAII?

How much longer is Hawaii going to be kept waiting for statehood? Since 1903 the people of that famous island group have been asking for full membership in the Union. For the past several years the matter has been under serious consideration in Washington. On several occasions Congress has sent a committee of its members to the islands—all expenses paid, of course — to check on Hawaii's readiness for statehood, and reports have been favorable.

A year and a half ago the House voted heavily in favor of admission. But the Senate didn't act. How long is the stalling going to continue? There is no reason that we can see why the 49th state shouldn't come in this 49th year of the century. Congress should act at once to settle.

PONZI PASSES

Mention the name of Charles Ponzi to most Americans under 40 and it would bring nothing but a blank look. But to those over that age his name recalls that brief period back in 1920 when for several months Charles Ponzi had people believing he was a financial magician. He took in something like $15 million from investors who wanted to get the "50 per cent interest in 45 days" which he promised. Some did collect. But they were the early birds who were paid with the money Ponzi got from others.

For about three months everything went fine. Ponzi lived like a king, and then the bubble burst. When it was all over he was holding a prison cell and his gullible investors were holding the sack. The end of the Ponzi story came the other day when it was learned that he died in Rio de Janeiro. He left an "estate" of $75.

NO AGREEMENT

Sometimes we seem to think that all disagreements in Germany are with the Russians. They aren't. The complete failure thus far to unite the three western zones of Germany points up the inability of the Western Powers to see eye to eye on the fundamental problems involved in the proposed merger.

Six months of negotiation by the occupation authorities has accomplished almost nothing. Each of the three nations is reluctant to share the power it now has in its own zone. The job holders in the military governments are against a merger since it would cut out a lot of jobs. Besides this, the British and French are at odds with the Americans on how much control and supervision should be exercised over German industry. Negotiations will probably have to be referred back to the top government level—for further disagreement.

WAGE DEMANDS

One indication of the change in our economic trend is the lessening demand for wage increases. With consumer prices starting to soften, labor leaders are subordinating bids for higher pay to pensions and other security benefits. The strategy of Walter Reuther, head of the United Auto Workers, can be accepted as a pretty good indication of what other C.I.O. unions will do when their new contracts come up in the next few months.

In his list of demands which he will make on the auto producers Reuther puts wages demands third after retirement benefits and social security provisions. Another demand which may be added is shorter hours. This will probably get greater emphasis if layoffs in the auto industry should rise markedly.

Of course, shorter hours without a corresponding cut in pay is the same as a wage boost—and that may cause trouble. Actually wages are starting to turn down. In some cases companies which have their wage scale tied to the cost-of-living index have already made pay cuts. If the index continues to drop, more cuts will follow—and further wage increases will do a fade out.

NEW INCOME TAX LAWS OUTLINED BY AUTHORITY

(Editor's Note) These income tax articles have been prepared by Collector of Internal Revenue James G. Smyth of the First California District to outline changes in the new tax laws. Each article is complete in itself. Watch for these stories in the Daly City Record. Clip and save them! They may provide the answers to your income tax problems.

Every man, woman and child residing in the continental limits of the United States, possessions or territories, who received $600 or more of taxable income in 1948, must file a Federal Income Tax return by March 15.

Owing to a reduction in income taxes, almost every person whose total income was subject to withholding tax, will be entitled to a refund upon filing. This is due to the fact that withholding rates were reduced on wages paid after May 1, 1948; consequently, any taxpayer in this category whose exemption claims were not changed during the year, should find the amounts withheld by his employer overpaid his tax.

Wage-earners whose income, all subject to withholding tax, total less than $5,000, may use the "short" Form 1040A income tax return. This return lists the name and address; amount of wages paid and amount withheld. The taxpayer should securely attach all Forms W-2 to this return. The Internal Revenue computes the tax and mails a refund or sends a bill if additional tax is due.

All persons who wish the government to compute their tax, must file on the 1040A form.

The income of a single person, and the combined income of a married couple, cannot exceed $5,000, if such taxpayers are to use Form 1040A as a tax return. Not more than $100 of this amount may be received from sources on which no tax was withheld (interest and dividends). All others must file on Form 1040, the regular income tax form.

The new law expressly forbids use of the withholding statement as a tax return. When taxpayers send in this form filled out as a return it is sent back to them and they are requested to file on either the "short" Form 1040A or the regular Form 1040.

Owing to the large number of returns expected to show refunds of tax it is urged that everyone, desiring the advice and counsel of a Deputy Collector, visit Internal Revenue Offices as soon as in possession of all necessary tax data. The arly filing of returns means refunds will be mailed more promptly!

There are twenty islands in the Hawaiian group, nine of which are populated.

$750,000 BUILDING FUND APPEAL OPENED MONDAY

The $750,000 Building Fund Appeal to expand the work of the Sisters of the Good Shepherd in a delinquency preventive program of wide scope, opened here Monday.

Volunteer workers are organized for San Mateo county's participation in the campaign, which will be conducted throughout northern California during the coming weeks.

Richard J. Ennis is Daly City chairman for the drive. The San Mateo county committee is headed by Robert A. Riggins, chairman, and Hon. Edmund Scott, co-chairman.

Archbishop John J. Mitty is honorary chairman of the Appeal, and Rev. Harold F. O'Day is the Archbishop's representative in this county. Andrew J. Lynch of San Francisco is general chairman for northern California.

The Appeal is the first public one ever made by the Sisters of the Good Shepherd, Community Chairman Ennis pointed out today. For the last 16 years the Sisters have conducted a non-sectarian and highly successful plan for the re-education and re-habilitation of young girls committed to them by courts of northern California. More than 2250 girls have been cared for at the Home, with better than 95 per cent returned to the world normal, happy self - supporting young women.

"Medical men know that the way to stamp out a disease is not only to heal its present victims but to catch infection at its source," Chairman Ennis said.

"This is the plan the Sisters want to utilize with delinquency — to prevent it before it takes hold of young children. Young 'problem' girls who are victims of neglect or other conditions beyond their control are called 'pre-delinquents' by social workers because if left unassisted they are almost certain to become a prey to this menace.

"The Sisters want to offer haven to such children in facilities separated completely from the other group of girls. Affection and the feeling that somebody cares, is a child's only bulwark against trouble, and thousands of young lives will be saved from moral and economic wastage if this plan is supported."

The Appeal has the endorsement of juvenile authorities throughout the state, Ennis said. One hundred girls from all over northern California will be cared for, under the preventive plan. It will be non-sectarian.

HI-LITES AT C.C.S.F

By Frank Galo

City College hit the end of the trail today as they prepare for final exams next week. No more classes are scheduled save special sessions for finals.

Probably studying the hardest will be 383 students who must pass in order to graduate this semester. These early 1949 graduates will not receive their diplomas until June, however.

RAM-PAGES

For the first time in the history of City College, a journal will be published. The annual, entitled Ram-Pages, will consist of over 200 pages, containing sections of colored photographs and drawings. The book is financed by sales and Student Council appropriations, thus eliminating advertising. Ram-Pages will appear on the campus toward the end of May.

Dependable Bob McVey is editor of Ram-Pages while lovely Jeanne Marsh serves as managing editor. Other top brass hats are Larry Weber, publicity; Bill Hansen, sports editor; Stan Sadler, artist; and Jim Davis, photographic editor.

Editor McVey is well qualified for the editorship for he was head man of Lowell's "Red and White" in 1945. He also handled the photographic side of Lowell's top publication. At present he owns his own photographic studio. The likeable McVey, aided by his top-notch personality, seems headed for success in the business world — his first test being Ram-Pages.

Second in command is cute Jeanne Marsh, ex-Washington high school coed, where she was senior editor of Washington's publications. She is majoring in journalism here at City College. Miss Marsh was recently elected to the Student Council. A Theta Tau girl, the charming Miss Marsh is a definite asset to Ram-Pages.

With both these outstanding students at the helm, Ram-Pages can't be anything but a complete success. Lots of luck, Ram-Pages.

BASKETBALL

The Rams go after their eighteenth straight win tonight at Stockton's expense at City College gymnasium. Tomorrow night Ralph Hillsman's boys meet Modesto, the team which they defeated, 47-45, for the State title a few weeks ago. The San Mateo - CCSF classic has been scheduled for February 4.

Last week the Rams defeated the Stanford Braves, 53-42, and then downed a stubborn Menlo five, 42-36. A strong Menlo defense held City College to 42 points, 15 below their 57 average. The Rams were led by Dud Truelsen and Bob Matheny with 13 points apiece. Matheny and Les Brilliant played a brilliant floor game while Bob Payne controlled the backboards for the locals.

DIS AN' DAT

Balboa Alumni Athletic Club will be presented the President Cloud trophy today in a special program for their contributions to City College sports.

Emerging victorious for City College's presidency was Pete Isola. Corinne Lambert captured the vice president post.

Tomorrow night the semi-annual Sophomore Formal is scheduled for the Oakland Scottish Rite auditorium.

This is good bye from Frank Galo, who will be graduating this semester. I wish to thank Ralph Hillsman for backing this column up along with the many people who helped during the past year and a half. Special thanks to all gym teachers, Herb Lévy, Bob McVey, Nancy Wallace, Dot Stolaroff, Norma Shackleford, Janice Fairfield, Regina Warchot, Corinne Lambert, Al Athanasopoulus, and Armand Garbarino. Loads of unlimited gratitude go to the Daly City Record staff.

MISS VIVIAN GRUBB, JOSEPH BIANCHINI EXCHANGE VOWS

Miss Vivian Grubb, daughter of Mr. and Mrs. Orville Crowell, 69 Cavour street, and Joseph Bianchini, son of Mr. and Mrs. Bianchini of 3134 Alemany boulevard, were united in marriage January 16 by Judge Cunningham.

For her wedding ceremony the bride chose a suit with a tweed jacket with a dark brown yoke and a brown skirt. Her shoes, hat, and bag were of kelly green while her blouse and gloves were brown. The bridal corsage was of metallic roses.

Attending the couple were Mr. and Mrs. August Camtoni. A reception for the couple was held at the home of the bride's mother following the ceremony. Only close friends and members of the families attended.

The bride is a graduate of Turlock high school while the groom was graduated from Mission high. The couple is at present living at 167 Moltke avenue.

A fair tide is a tide running in the same direction in which the ship is moving.

Applications Upped For Old Age Pensions

Old age security applications for San Mateo county totaled 203 for the first two weeks of January as compared with 54 for the full month of November and 57 for January 1948, according to the California Taxpayers' association.

Quoting figures compiled by the state department of social welfare, they stated that 1794 persons were deceiving county aid during November, 1776 during October and 1605 for January.

NEWS FROM THE SCHOOLS

JEFFERSON

Once again Jefferson eighth graders have staged a never to be forgotten party. This time it was a graduation party, given as has been the tradition, by the low eighth grade and Miss Marie Traynor, teacher and principal. The party was given on Saturday evening in the kindergarten room of the Jefferson School.

The room and table were decorated in the school colors of red and white. Favors, place cards and autograph booklets were all designed and made by low eighth grade student committees. Martin Caravano was in charge of the favors, Joanne Van Vliet of the autograph booklets and Theresa Sprague was responsible for the place cards.

Marjorie Clark, Joanne Van Vliet, Margaret Ratto, Marion Fair and Donna Shulda were responsible for the colorful room decorations and attractive table setting.

Leonard Monson brought a large cake, Marjorie Duncan and Margaret Ratto contributed their time and effort to other parts of the menu.

Dancing and refreshments followed an evening of games. The low eighth grade students had their refreshments buffet, while the graduating class sat around a candlelighted table. During the party, Miss Traynor read the "Class Prophesy," written by Marjorie Duncan. Beverly Bendinelli read the Class History which she had composed and Janice Sproule read her own version of the Last Will and Testament of the Class of '49. Janice, one of whose hobbies is puppets, entertained the group with several very original numbers.

Puppets romped through Jefferson School classes last week. The fifth grade presented a puppet show to the other classes, using puppets they had made from potatoes, during art period. The puppets were designed and carved to represent many different characters from books.

There were such puppets as Humpty Dumpty, made by Janice Toole. Linda Carovano and Eileen De Bernardi characterized and enacted a scene from the play "Topsy and Eva." There was the "Crooked Man" by Lowell Klaisner, and "Donald Duck" was made by Frank Bortoli. Richard Stookey enacted Donald Duck's part during the performance. There were many other puppets such as "Frosty" by Cheryll Taylor, "Miss Muffet" by Diane Giacchino, and "Willie the Penguin" by Angelina Sereni.

The sixth grade is also in the midst of preparations for dramatic productions using puppets. They are now making the puppets and working on the scripts they will use.

Thus far Nancy Fricker, Marlene Clark, Harry Youtsey, Marianne Zanone, Gwen Anthony and Roger Pessagno are prominent among the students who are intensely interested in the project.

CROCKER

A literal "March of Dimes" in each classroom took place at the Crocker School this week, in the school's efforts to participate in another community activity. As the school pianist Lorraine Bergstrom played a march in the hall of the school, the classroom doors were opened and each teacher conducted a march in her own classroom, each child receiving a "March of Dimes" pin. This procedure consumed a minimum of school time and the goal of awakening students to community activities was accomplished.

The prospective graduates of the fall term '48 are proud to report through their president, Jean Eliasen, that they have been the sole recipients of the Thrift Banner for the entire semester. The class, receiving the highest per cent of depositors, is eligible to display this Thrift Banner for the week. Congratulations, graduates! The thrift habit is the soundest indication of manly character!

Culminating the final music period for the graduates of the Crocker School, the period was spent in folk dancing, in front of the school building. Under teacher supervision, the H8 enjoyed some of the many popular folk dances.

Summarizing the unit "Our American Neighbors" the L6 has been making a comparison of the governments, customs, and life in Canada and the Latin-American republics.

George Spoulas has re-entered the L7 from Portland where he has been living recently.

Members of the L7 wish to extend their sympathy to their classmate Martin Verce, whose father suddenly passed away.

WOODROW WILSON

The pupils of the high fifth and low sixth have almost completed their study of the countries of South America.

Marlene, a low sixth student, has returned to the Jefferson School District after living for almost a semester in North Dakota.

The students of the high sixth grade are studying the geography of our northern neighbor, Canada. They are learning the locations of the nine provinces, lakes, rivers, and important cities of Canada. The students of the low seventh grade have been studying the reigns of the Russian rulers, including the reign of the last tsar of Russia, Nicholas II, and the reasons leading to the Revolution of 1917.

The students of the high eventh grade are making reports on the geographical features of Russia.

The students of the low eighth grade are studying the executive, the legislative, and the judicial branches of the government of our country.

Here are the Famous Red Heads who will meet the Jefferson high school men's faculty team this Friday night, January 28, at the school auditorium. Tickets will be on sale at the door, $1 for adults and 50c for students. The girls have been barnstorming the country, meeting men's teams and playing the game under men's rules.

Special Services At Nazarene Church Sunday, January 30

Rev. Hugh W. Jamieson, associate executive director of the California Temperance Federation, will be the guest speaker at the special service Sunday, January 30, 11 a.m. at the Grace Church of the Nazarene, 101 Vista Grande avenue.

Reverend Jamieson, who was formerly district superintendent of the San Francisco - Fresno district of the Pacific Conference of the Southern Methodist Church and associate pastor of the Glide Memorial Church in San Francisco, will bring forth in his message the crisis we face in the liquor problem and the challenge to the church to meet the present confused and perplexed national and world situation. The title of his subject will be "What Do We Face?"

The week of February 1 has been designated as "Youth Week" in Nazarene churches throughout the nation. The Daly City church will start the week by having a banquet for young people on Tuesday evening and special services every evening until Sunday, February 6. The speaker for these services will be Susie Chickenoff, from Pasadena College. Song services will be lead by Leo Collar.

Friday evening, January 28, the "Home-builder's class" with Mr. McKisson their teacher will hold a get-together and have games and refreshments. Colored slides will be shown during the evening. They will meet at 7 p.m. in the church recreation hall and are inviting any young married couple that would like to attend.

First graders are having a party with their teacher, Mrs. Florence Clark, at 10 a.m. Saturday, January 29. The junior girls will meet for theri fun at 2 p.m. Saturday afternoon. Their teacher, Mrs. Webb, invites any girls between the ages of nine and twelve to come and enjoy the afternoon with them.

Special gifts were presented to: Mrs. Mae Miller, outgoing oracle; Mrs. Doris Davis, installation officer; Alice Dittier, ceremonial marshal; Mattie Putnam, installing chancellor; Annie Smith, assistant ceremonial; and Lillian Mittemeyer of Mission Camp.

Barbara Galindo Was Honoree At Surprise Shower

Honoree at a surprise cradle shower was Mrs. Barbara Galindo on Saturday, January 22, at the home of Mrs. George Perada Jr., 274½ Miriam street, Daly City. The affair was given by Mrs. Perada and Mrs. Ray Calderon.

Those present for the afternoon were Mesdames Tom Thimis Jr., Tom Thimis Sr., George Perada Sr., George Perada Jr., Jerry Galindo Jr., honoree, Ben Parodi, Bill Freeman, Ralph Capps, Ray Calderon, Joe Rosset, Joseph Gregor, C. Jennings, Myron Heggum, Richard Little, Frank Rehe Jr.

Misses Marilyn Mosman, Esther Galindo, Corrine Cuneo, and Lorraine Peterson.

Decorations were carried out in a pink and blue motif. The gifts were assembled beneath a huge umbrella trimmed in pink and blue ruffles. The buffet table, centered with a miniature baby carriage, was surrounded by refreshments consisting of potato salad, stuffed eggs, fried chicken, spiced beans and cake. The cake was centered with a blue-trimmed bassinet and decorated with "To Silvester tobe."

The Galindos are awaiting the arrival of Mr. Stork some time in February.

General Pershing PTA To Celebrate Founders' Day

Founders' Day of the General Pershing P.T.A. will be celebrated by the group at 1:30 p.m. February 1 at the Pershing school. Past presidents of Pershing P.T.A. and members of the other P.T.A.'s are invited to attend. A life membership to one outstanding member will be given.

A special meeting will be held by members of he Crocker and Pershing P.T.A. at the home of Mrs. Dolly Gensel, 188 Acton street. Plans will be made for the house to house canvass in which the four P.T.A.s are participating. The poll will ascertain whether or not parents of both pre-school and school children are in favor of eliminating the double promotion system. They will also take a survey of the number of pre-school children in this district. Time and date of the meeing will be annuonced later.

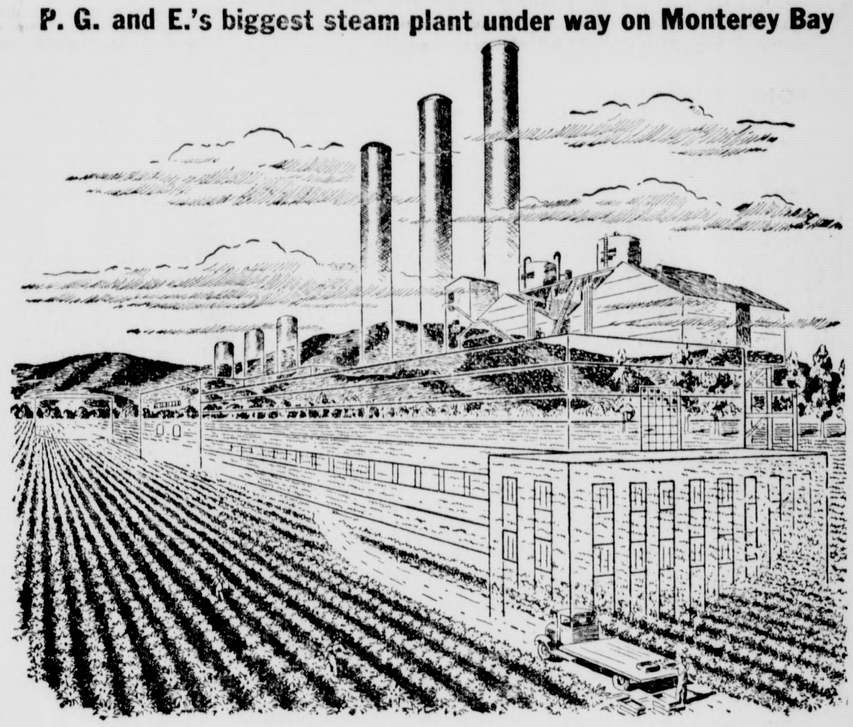
Artichoke land will soon grow power

P. G. and E.'s biggest steam plant under way on Monterey Bay

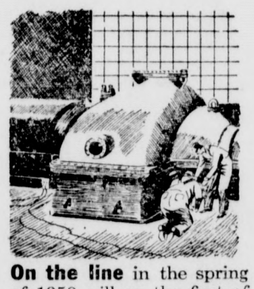


A 280-acre vegetable farm near Moss Landing on Monterey Bay soon will be producing the greatest crop of power in P. G. and E. history for Northern and Central California.

For here is being built the company's largest steam plant, a 402,000-horsepower giant whose electric output will contribute to P. G. and E.'s entire interconnected system.

This is the ninth major producing unit begun since V-J Day to serve the growing demand for power in California. Four already have been completed, and still others are planned.

1,500 workmen will be on this job when construction reaches its peak, and a good share of the $51,500,000 estimated cost of the project will be in payroll, which in turn will pass on to local business.



On the line in the spring of 1950 will go the first of three 134,000-horsepower generators; the others are scheduled for the following year. Preliminary work already is going full speed ahead.

for the record

The plant's huge boilers will be fired by oil shipped in by both sea and rail.

P. G. and E. already has invested $300,000,000 in post-war power facilities.

Half a million new horsepower are already at work for Northern and Central California.

Work never stops on our power-building program

NOTICE TO CONTRACTORS
Advertisement for Bids

NOTICE IS HEREBY GIVEN THAT THE Board of Trustees of the Jefferson Elementary School District of San Mateo County, State of California, will receive bids for the erection, construction and completion of four classrooms upon public school property located at 43 Miriam St., Daly City, County of San Mateo, State of California, including all necessary labor, materials, services, transportation, etc., each bid or proposal to be in accordance with plans, drawings, specifications and other contract documents now on file in the Office of the Superintendent of Schools for said school District, at the office in the existing Administration Building, 344 Santa Barbara Ave., Daly City, San Mateo County, California, where they can be examined, and with Mario Ciampi, Architect, 333 Kearney St., San Francisco, California, and copies of same may be obtained from said Architect at 333 Kearney St., City and County of San Francisco, State of California, upon deposit of $20.00 per set, which deposit will be refunded upon return of such copies in good condition within five days after the bids have been opened.

Bidders are hereby further notified that pursuant to the Statutes of State of California, or local laws thereto applicable, it shall be mandatory upon the contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the general prevailing hourly wage rate and the rate of per diem wages and rates for legal holiday and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract awarded to the successful bidder, and all bidders are hereby further notified that they must ascertain from the proper authorities the said wage rates before submitting their bid.

"Bidders shall set forth in the bid the name and location of the mill, shop or office of each subcontractor who will perform work or labor or render service to the contractor in or about the construction of the work or improvement and the portion of the work which will be done by each subcontractor".

Each bid shall be made out on a form to be obtained at the office of said Superintendent or at the office of said Architect, at the addresses hereinabove set forth; shall be accompanied by a certified or cashier's check or bid bond for not less than 10% of the amount of the bid and made payable to the order of the said Jefferson Elementary School District, shall be sealed and filed with the said Superintendent of Schools at his office on or before Feb. 17, 1949, at 8:00 o'clock p.m. of said day, and will be opened and publicly read aloud Feb. 17, 1949, at or about 8 o'clock p.m., of that day in the office of said Superintendent.

The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the said Board of Trustees.

Successful bidders on labor and material contract work will be required to furnish, in the amount of fifty per cent (50%) of the contract price a Labor and Material Bond, and a Faithful Performance Bond in the amount of One Hundred per cent (100%) of the contract price; said bonds to be secured from a surety company satisfactory to the Board of Trustees.

The Board of Trustees reserves the right to reject any or all bids or to waive any informality in a bid, or to award a contract on the basis of the proposal which serves the best interest of the School District.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Dated at Daly City, California, this 25th day of January, 1949

NOTICE INVITING SEALED PROPOSALS
IMPROVEMENT PROJECT NO. 1948-1
HILLSIDE MANOR MAP NO. 2

Pursuant to the Municipal Improvement Act of 1913, as amended, and the Resolution of Intention under Improvement Project No. 1948-1 adopted thereunder on December 13, 1948, by the City Council of the City of Daly City, California, and a resolution directing this Notice adopted January 24, 1949, said Council hereby invites sealed proposals for the improvement of streets in Hillside Manor Map No. 2 in said City.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said City Council on December 13, 1948, and on file in the office of the City Clerk of said City, pursuant to said Resolution of Intention, which resolutions are on file in the office of said City Clerk, and to which reference is hereby expressly made for a more particular description of the work to be done and for further particulars.

Payments will be made in cash by said City to the contractor on itemized estimates duly certified and approved by the City Engineer and said City Council, based on labor and materials incorporated into said work during the preceding month by the contractor, but said City shall retain ten per cent (10%) of the amount of each such estimates, and the accumulation of said amounts so retained from said progressive payments will be paid to said contractor thirty-five (35) days after the completion and acceptance of said work by said City Engineer and said City Council.

Notice is hereby given that on December 13, 1948, this City Council adopted a resolution determining the general prevailing rate of per diem wage to be paid to the various craftsmen and laborers required to construct said improvements in and for said City, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for full details thereof.

All propsals shall be accompanied by a certified check payable to the order of the City Clerk of said City, amounting to ten per cent (10%) of the proposal, or by a bond in said amount and payable to said City, signed by the bidder and two sureties who shall justify before any officer competent to administer an oath in double said amount, and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said City in case the bidder depositing the same does not, within fifteen (15) days after written notice that the contract has been awarded to him, enter into a contract with the City, the faithful performance of which shall be secured by an undertaking in the amount of 50% of the amount so bid. With sureties satisfactory to said Board, and which shall be accompanied by a labor and material bond in a sum equal to 50% of the amount of said proposal, under the provisions of the Labor and Materialmen's Act of 1919.

Copies of plans and specifications and proposal sheets may be obtained from the office of the City Engineer, City Hall, Daly City, California. A deposit of $10.00 per set of plans and specifications is required as a guarantee that they will be returned to him in good condition not later than forty-eight (48) hours after proposals have been publicly opened.

Said sealed proposals shall be delivered to the City Clerk of said City of Daly City on or before eight o'clock P. M. of the 14th day of February, 1949, said time being at least ten (10) days from the time of the first publication of this notice. Proposals will be publicly opened, examined and declared on said day and hour.

Dated: January 26, 1949.

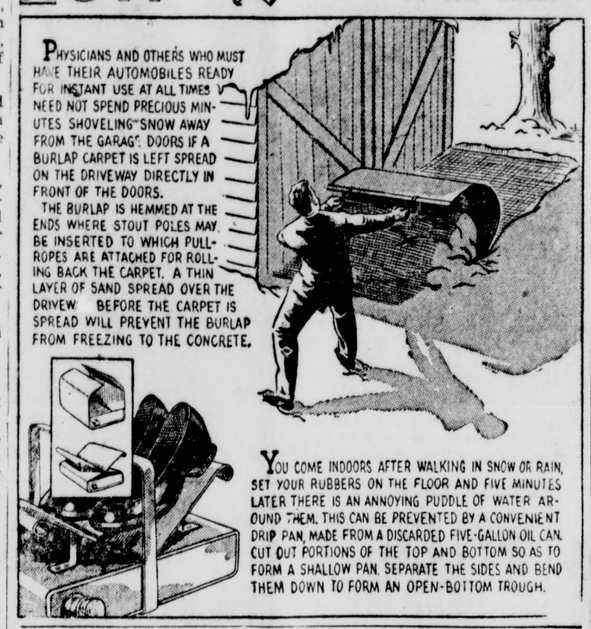
HOW - TO - FIX - IT

By Tom Gregory



PHYSICIANS AND OTHERS WHO MUST HAVE THEIR AUTOMOBILES READY FOR INSTANT USE AT ALL TIMES NEED NOT SPEND PRECIOUS MINUTES SHOVELING SNOW AWAY FROM THE GARAGE DOORS IF A BURLAP CARPET IS LEFT SPREAD ON THE DRIVEWAY DIRECTLY IN FRONT OF THE DOORS.

THE BURLAP IS HEMMED AT THE ENDS WHERE STOUT POLES MAY BE INSERTED TO WHICH PULL-ROPES ARE ATTACHED FOR ROLLING BACK THE CARPET. A THIN LAYER OF SAND SPREAD OVER THE DRIVEWAY BEFORE THE CARPET IS SPREAD WILL PREVENT THE BURLAP FROM FREEZING TO THE CONCRETE.

YOU COME INDOORS AFTER WALKING IN SNOW OR RAIN, SET YOUR RUBBERS ON THE FLOOR AND FIVE MINUTES LATER THERE IS AN ANNOYING PUDDLE OF WATER AROUND THEM. THIS CAN BE PREVENTED BY A CONVENIENT DRIP PAN, MADE FROM A DISCARDED FIVE-GALLON OIL CAN. CUT OUT PORTIONS OF THE TOP AND BOTTOM SO AS TO FORM A SHALLOW PAN. SEPARATE THE SIDES AND BEND THEM DOWN TO FORM AN OPEN-BOTTOM TROUGH.

Polio Cases Show Increase In Calif.

One case of infantile paralysis every hour and a half was the sorry record of 1948 in California, it was revealed today by T. J. Halinan, county chairman of the March of Dimes Chapter of the National Foundation for Infantile Paralysis.

"And apparently little letup is seen for 1949," declared the county chapter chairman.

The total of 5,811 cases in California during 1948 breaks down to 16 cases for each 24-hour period or one case of polio per hour and a half. This situation accentuates the necessity of bigger and better gifts to the March of Dimes in the current drive, said the chairman.

Accumulated funds of state and national divisions were depleted by the current epidemic, and much of the current care and cure of patients is predicated on funds yet to be received.

Persons able to pay for hospitalization are being requested to do so because of the depleted treasury of the March of Dimes, but the Foundation is going into debt this year in caring for any child or adult hit by the polio bug. The March of Dimes chapters ask no questions when polio hits, but rushes those stricken into hospitals and, when necessary, into respirators. There is no red tape in expediting these cases, for speed in care is of paramount importance in checking the disease and saving lives.

Those who are unable to contact March of Dimes workers are requested to mail their contributions to their postmasters.

Blind Children Have 'Picture Books' Too

BY DAN MURDOCH

WHEN you read a book, pictures make the story come to life. But how about a blind child? What's going to make up to him for the gay, colorful, exciting pictures he's missing?

The American Foundation for the Blind in New York City has worked out an answer to this question. They've made books for blind children that have illustrations. Only, the blind youngster doesn't see his "pictures." He hears them.

Let's visit a school for blind children, and see (or rather, hear) for ourselves.

At the kindergarten class, the teacher is explaining farm life, asking and answering all sorts of questions. "Now," she says, "we're going to hear a sound-picture-book called 'On the Farm,' by Marion Duncan."

The "book" is an album of phonograph records. The little blind children sit entranced, listening to the sounds of farm animals and farm machinery, and even a country fair.

"The sounds," the teacher whispers to us, "were recorded on a real farm. All the sound effects in our talking books are the real thing, not imitations."

• • •

WE move on to a higher grade, where the children are studying about animals. We listen to "Lions," by W. W. Robinson. This gives us the sounds of a real lion hunt, of lions in a Roman arena, of baby lions learning to growl, of grown-up lions roaring for food. "Elephants," by the same author, opens with a boy visiting the zoo. He hears elephants trumpeting, and decides he'd like to read more about these animals. The story itself begins on the next side of the record. We enjoy "Here Comes the Circus," by Horace S. Moses, almost as much as if we really were at a circus.

Quite a racket coming from this next room! The sound-picture-book here is "On Safari in Africa." A real-life hunter of big game is being interviewed, and his experiences are accompanied by sound illustrations. Elephants, hippopotamuses, leopards, lions, hyenas—even native drums and a pigmy orchestra!

A class studying birds is getting a treat listening to a bird biography. The record begins and ends with a real-life bird call. In between, Professor Arthur A. Allen, a great bird specialist, tells the bird's life story. He pretends he is the bird, talking about itself in human language.

"Professor Allen," remarks the teacher, "has made 31 bird records, especially for blind children. He recorded the calls direct from the birds in their natural homes."

LET'S try an upper class now. Here they're studying a unit called "Advancing America: the Drama of Transportation and Communication." The "talking book" today is "Flight 17," by Henry B. Lent, which describes an airplane trip from New York to Chicago.

Another group's working on "Our Changing World," and listening to "Across the Isthmus: the Story of the Panama Canal." This "history lesson" is in play form.

No Overtime Pay

Fourteen-year-old Charlie frowned when his mother told him it was time to go to bed.

"Now, Mom, you know I like to do my hardest work at night," he protested.

"I suppose so," his mother answered. "But that makes me do my hardest work in the morning."

Charlie's frown deepened. "How come?"

"I'm the one who has to get you out of bed," his mother reminded him.

Teen Time

By Bess Ritter

A LOVELY chatelaine to dress up a plain frock can be easily fashioned by you from a broken locket chain and two pennies. Fold the chain in half. Slip tiny safety pins through the end links. Glue or solder the coins on top of them. If your chain is silver, use nickels. With the aid of a couple of old shanks, you can make earrings to match, and have a complete set.

• • •

Would you like your hair bows to be really feminine? Then why not edge them with a narrow banding of lace? They'll look very charming in your curls.

• • •

You won't spill your nail polish any more if you cut a small hollow rubber ball in half, punch a hole in the center, and slip the bottle through, with the flat side of the ball placed down on the table. Then you won't have to hold onto the container with one hand while inserting the brush with the other.

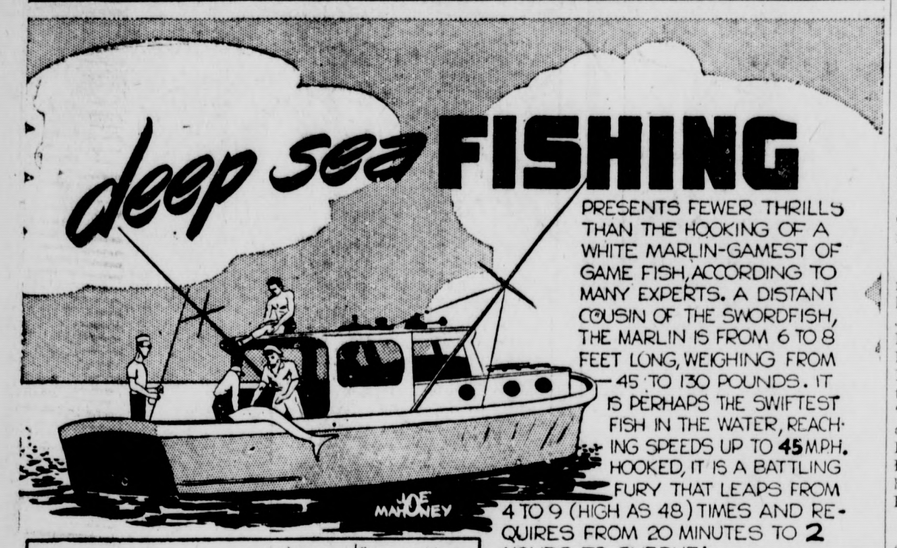
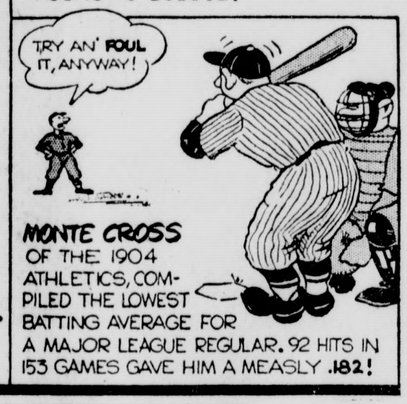
The next time you make a cotton dress, save the scraps for covering your school books. To make them really attractive, iron your monogram in one corner, cut out of press-on mending tape—the kind your mother uses to bind blankets and carpets.

SPORTSCOPE

By Joe MAHONEY





JEFFERSON HIGH GIRLS' SPORTS

By Claire Allen

Jefferson Union High School is as interested in girls' sports as it is in boys' so I will try to keep you posted on the latest events.

Since basketball is in season now here's what your scholars are doing: The girls are getting in trim for a basketball playday at Sequoia High. The date is set for February 3. Twenty-seven girls will go — however, they haven't been chosen as yet.

Palo Alto has invited 15 Jefferson girls who belong to the G.P.A.L. to a dance symposium. The girls will participate in the dancing. It will feature modern dance and will be held on February 12. Mrs. Miriam Lidster, dance director of Stanford University, is in charge of the program.

Beginning Monday, January 31, physical education classes at Jeff will begin participating in folk dancing, including square dances.

Miss Young, girls' physical education instructor, escorted two girls, Ann Allen and Elsie Hermansen, to Sequoia where they attended a meeting conducted by the rating committee of San Francisco and the Bay Counties' Board of Women's Officials for training officials who want to take practical and written tests. The ratings which may be obtained are: intramural, local, and national. The meeting was held Thursday, January 13. The two girls actually took part in officiating while being judged. However, this was just a practice meeting, as the rating will be given later. Miss Young already has her national rating and is a member of the rating committee.

Junior and Senior Life Saving classes will be conducted at the high school pool from 7 to 9 p.m. Monday through Friday for two weeks starting February 14 and ending February 25. An instructors' course will also run at the same time. A refresher course for instructors will be held from February 21 through February 25. Anyone interested in these classes may contact Miss Young, JU. 4-2510, for additional information and registration. There is no charge for the course.

Sportswomen Play Jan. 28 Whist Party

A whist party will be held by the Daly City Sportswomen at 8 p.m. January 28 in the Masonic Hall, 17 Hillcrest drive.

A special meeting was held January 26 at the Community Center on Bellevue avenue at which time final plans were made for the whist and the coming installation of officers banquet to be held at 8 p.m. February 5 at the Club Casino.

Rev. Horton To Speak

Reverend Harold Horton, Bible teacher from London, will be the speaker at the 11 a.m. Sunday service at the Assembly of God Church, 6276 Mission street.

Reverend Horton is the speaker for the Northern California District Council of the Assembly of God now convening in Richmond.

ST. OLAF CHOIR TO GIVE CONCERT

The St. Olaf Choir, directed by Olaf C. Christiansen, will perform at the War Memorial Opera house, on Friday evening, February 11. This organization has not been here since pre-war times. The sponsors for this concert are The Norwegian Lutheran Church, 19th and Dolores, and The Trinity Lutheran Church, South Van Ness near 18th.

News Notes From San Mateo Jaysee

With final examinations now started at San Mateo Junior College, students are already making plans for the ending of the fall semester. Meanwhile the conference basketball season goes right along, with San Mateo playing at Monterey jaysee this Friday evening and in Salinas Saturday.

A basket scored in the last second of the recent Menlo-Matean contest gave Menlo the win after San Mateo had led through most of the basketball game and had a one-point lead a moment before the Menlo player made his long shot from mid-court. It was a tough game to lose, but the tilt was an exciting one from the standpoint of everyone concerned, players and spectators alike.

As the semester draws to a close, various clubs and sports groups have had dinner meetings and have presented various awards to outstanding officers and athletes.

The Executive Council, composed of the college officers, had its fall term banquet at Dinah's Shack. President Charles S. Morris of the college gave the members their gold charms. The outgoing officers introduced the new spring cabinet.

The Women's Athletic Association cabinet had a dinner at which sports awards were given to coed athletes, and the men's Block letter society had a dinner in Belmont at which Block "S" charms were given the newly elected members who played in the recent football season.

January 31 Laurel Reynolds, noted photographer, will show color pictures of California wild birds at the meeting of Community Hall in the college auditorium at 7:30 p.m. The public is invited without charge.

Hosts To Relatives

Mr. and Mrs. James McCullough, of 61 First avenue, and Mr. and Mrs. E. Ohlendorf, 95 San Joaquin avenue, were hosts to relatives last week. Guests were Mrs. Ella Kay and Mr. and Mrs. Fred Keppy and David, from Davenport, Iowa. They spent the week sightseeing in both San Francisco and Daly City.

Marriage Licenses

Issued recently to:

Frank Marzocco, 23, Redwood City, and Verniece Clifford, 18, Brisbane.

Legislators Look For Long Session

"If legislators continue to pour bills in to the legislative hopper at the present high rate this session will be one of the longest on record," observed San Mateo County Assemblyman Richard J. Dolwig.

"Tax economy measures will continue to occupy most of my time at Sacramento," stated Dolwig, as he recounted his campaign pledges to constantly fight for reductions in State levied taxes.

"Legislators are in a tail-spin over the record-breaking budget demands. Close scrutiny will be given all department requests before final approval is granted," declared Dolwig.

Child Care Centers will continue to receive the support of Dolwig. He is co-author of a bill that is asking their continuance.

San Mateo County's Assemblyman has been selected as chairman of the Constitution Revision committee. The committee, headed by Dolwig, will complete study of the State Constitution begun by a previously named group.

Dolwig has been named to serve on the Assembly Steering committee. The group is composed of five assemblymen who will meet regularly to study and expedite passage of legislation. The group will aid passage of bills submitted by the 80 assemblymen in keeping close check on the Assembly's 15 committees that process all legislation.

Mrs. Julia Ann Fleming, widow of the late Thomas P. Fleming, passed away recently. The 61-year-old woman had resided at 174 Winchester street, Daly City, with her daughter, Mrs. E. J. Rowe.

Other survivors include two sisters, Mamie Flynn and Margaret Davis, both of Nevada City. Her remains were sent to Grass Valley where a requiem mass was held Tuesday. Interment was at the Allegany Cemetery.

Crocker And Perpetual Help Teams Win Top Place After 1st Round In Basketball

The Crocker and Perpetual Help "A" basketball teams came out on top in the first round of the basketball league which is co-sponsored by the Daly City Recreation Department and the Jefferson Elementary School District. Crocker defeated Jefferson while Perpetual Help defeated Woodrow Wilson. In the "B" division Jefferson defeated Crocker, and Perpetual Help defeated Woodrow.

Coached by Glen Smith, Woodrow "A" team players are as follows: Gary Johnson, Ralph Castro, Jack Thur, Billy Rutler, Bill Allen, Bruce Selmi, Wayne Hyde, Joe Lewkowitz, Richard Cryer, Gerry Eling, Ray Huntsmen, Dan Bertelli, Dollar Affoltes, Bobby Sims. "B" team players are James Galindo, Edwin Van Stevensen, Walter Huntsman, Ernest Hansen, Bobby Phillips, James Snell, Marvin Abraham, Ronald Folmer, James Court, Howard Klein.

William Tergis is the coach of the Crocker team. "A" team members are Jim Dowell, Ronald Laureano, Jim Bricker, Stanley Davis, Jimmy Francis, Edward Christianson, Harold Diamond, Billy Valentino, Leo Winn, Jim Herman, Andy Vranich, David Martinez, Jack Phillips, Larry Niuner, Bert McKenna, Walter Camozzi, Larry Nofziger, Tom Hasslet, Joel Cerrito, Neil Lundy, Charles Ciolino.

Those on the "B" team include John Sallos, John Pettigrew, Larry Lerma, Robert Langerveld, Richard Kalinin, Bill Stiff, Henry Ziegel, Robert Church, Harold Miller, Louis Cooper, Joey Castro, Wesely Yates, Robert Dickson, Robert Pool, Robert Bridge, Ronald Bloom, Billy Gensel, Duane Hale, Richard Watso, Sherwood Rupp, Lars Olsen, Bill Tellinda, Bobby Morris, David Kruse, Brower Diamond, Bob Yonan, Bill Walker, Gary Carlson, Frank Moore.

Perpetual Help coach is Father William Steward. "A" team is composed of Ray Rosa, Don Rode, John Robinson, John Madden, Richard McDonough, George Urbani, Joseph Bonocorso. "B" team members are Mike Laramie, George Schreiber, Frank Donofrin, Bill Brush, Ernie Gray, Angelo Synera, Gerald Dregfus, Don Willes.

The Crocker and Perpetual Help "A" and "B" teams play at 4 p.m. Friday at Lincoln Park. Last year, Crocker won both the "A" and "B" championships, with Perpetual Help taking second.

Jefferson and Woodrow "A" and "B" teams will play Saturday at 10:30 a.m. at Woodrow Wilson.

INVASION PICTURES

Invasion movies will be shown Friday evening January 28, at the meeting of the Old Glory Post No. 2044, V.F.W. The meeting will begin at 8:30 p.m. and will be held in the Little Italy Hall across from the Daly City Theatre.

Veterans and their friends may both attend the following meeting, February 11. Invasion pictures will be shown that evening also.

Cancelled Game To Be Replayed

The game between the Colma Boys Club and Junipero Serra Merchants was cancelled last Sunday due to a wet field. The game is scheduled for this Sunday afternoon, Marchbank park, at 2 o'clock.

FAMOUS RED HEADS TO PLAY JAN. 28 AT JEFF GYM

The famous all-girl Red Head basketball team, coached and managed by Connie Mack Olson, will make its only appearance in this area at Jefferson High School in Daly City on Friday, January 28. The Red Heads hail from Cassville, Missouri, and are on the western leg of their barn storming trip.

The only Red Head game in the Bay Area will be at Jefferson's gym with the Jefferson High School faculty team. Advance publicity from Olson's office shows the Red Heads to have a potent team, built around Tony Magee, 6'2" center, and sparked by Red Mason, 5'8" forward, who has been hailed as the cleverest ball handler in women's basketball. The Red Heads will put a team on the floor which will have the edge in height, if not in weight, on the men's faculty team. The Red Heads, a seven-woman squad, is composed of: Red Mason, 5'8", Evelyn Flener, 5'9", Mary Martin, 5'10", Myrtle Wallace, 5'10", Johnnye Farley, 5'9", Bonnie Buell, 5'11", and Tony Magee, 6'2", who can hold the basketball suspended in one hand.

Last year the Red Heads played 202 games in 195 days, playing double headers on some nights. The girls play only men's teams with men's rules, and take on all comers. Usually the opposition is composed of small colleges, American Legion, high school and independent teams. Last year the Red Heads won 125 of their games.

The starting five for Jefferson High will consist of the coaching staff, all of whom are ex-football players. Dead eye for the teachers is Glenn South, 5'10", 170 lbs., who played football for Tiny Thornhill and Clark Shaughnessy at Stanford and coaches varsity football and baseball at Jefferson. Clarence Lair, 6', 185 lbs., of Jeff's science department, played football for Santa Barbara and assisted with varsity football at Jefferson. Mike Orlich, 6', 230 lbs., played football and basketball at University of Minnesota, coaches lightweight basketball and teaches social studies. Elman Rose, 5'11", 165 lbs., played under Stub Allison at Berkeley, and is the present varsity basketball coach. Joe McGrath, 5'10", 170 lbs., who played football for the Gaels under Slip Madigan and Red Strader, is a member of the physical education department and coaches frosh-soph football, basketball and baseball. Utility man for the faculty is John Mongan, boys' counselor, who played football for Notre Dame and tips the scales at 235.

There will be plenty of excitement, fun and good basketball when the Famous Red Heads square off with Jefferson's faculty football-playing basketball team. The girls specialize in clowning and clever ball handling. The men specialize in football.

There will be a preliminary game at 7:15, the main event to go on at 8:15 at Jefferson High gym, January 28.

Jeff Athletes Receive Awards At Thursday Banquet

Sixtey-three awards were presented to members of the frosh, sophomore and varsity football team of the Jefferson high school and to their 110 and 120 basketball teams at the father and son banquet last Thursday.

The team is coached by Glenn South.

Basketball awards were given to Frank Cosgrave, Dan Thompson, Dan Trevaskis, Frank Hartje, Angelo Coliore, Dick Firth, Norman Cady, and Dan Wilson of the 110's, and Ted Welp, Bob Varni, Art Rud, Quinteris Faustino, Dave Cafferetta, Bill Lyman, Ed Galindo, Tom Palmer, William Williams, Leo Zappetini of the 120's. Both teams are coached by Mike Orlich.

Girl Scout Troop No. 16 Elect Wilma Hathaway As Leader

Wilma Hathaway, of Girl Scout Troop No. 16, was elected to serve as patrol leader, at an election held Wednesday afternoon, January 19, at the scout house, 101 Parkview avenue. Elected to serve with Wilma were Anne Nolan, assistant patrol leader; Janet Cirimele, treasurer; Shelia Sullivan, monitor; Carol Gay Garibaldi, secretary, and Carol McInerney, scribe.

Present at the meeting were members of Troop No. 12 who will be meeting joinily with Troop No. 16, while their leader is away for two weeks.

Barbara Jensen To Swim In Record Breaking Attempt

Miss Barbara Jensen, 19-year-old daughter of the Jay Jensens, of Colma, will attempt to break the record for the 150-yard short course, 20-yard pool, in the backstroke this Saturday evening at the City Club Hotel in Oakland. The record of 1:52 is now held by Eleanor Holmes and Gloria Tallon, who swam for the New York Swimming Association. Barbara is now being coached for the event by Charlie Sava.

It was announced this week that Barbara had been chosen on the National AAU All-American women's swimming team for the 300-yard and 300-meter individual medley for the Athens Club of Oakland.

Barbara was graduated from Lowell High school and is now studying for final exams for graduation from Lux College.

In March of this year she will attend the indoor meets in Florida.

Scout Troop 4 Meets

Senior Scout Troop No. 4 met Tuesday evening, January 24, at 101 Parkview avenue. Plans were made to have a movie party Saturday, February 5. The group will see "Joan of Arc."

JUNIOR PATROL SQUADS CHOSEN

Eighteen boys have been chosen from the Jefferson grade school for the Junior Traffic Patrol. Captain of the group is Stanley Stanton, with Charles Maynard lieutenant of the first squad and Lenny Monson lieutenant of the second squad.

Those on the first squad include Jim Hutchingson, Jim Fernandez, Allen Anthony, Donald Bocci, John Dennis, Albert Lagomarsino.

The second squad is composed of Jos. Bocci, Edward Fuchs, Alfred Schenone, Martin Carovano, Kenneth Moudy, and Nic Ciardella.

The boys, supervised and instructed in their various duties by Officers Henry Sundermann and Arthur Linhares, are now equipped with safety belts, brassards, and badges. Raincoats and traffic caps are being furnished by the P.T.A.

WELL BABY CONFERENCE

The Well Baby Conference, sponsored by San Mateo Department of Public Health, announced, this week, that 25 appointments will now be taken at each meeting instead of 20. The Well Baby Conference is located at 7375 Mission street, and sessions are held every second and fourth Thursdays from 9 - 11 a.m.

"The Vikings" Take S. F. Fire Dept. By 49 to 41 Score

The Viking basketball team, sparked by their star guard, Leon Willaford, who scored 17 points, downed the potent San Francisco Fire Department basketball club in the fourth game of the San Francisco Recreation Department Tournament in the "A" division by a score of 49 to 41.

Harry Dederman, a Daly City boy who plays center for the Vikings, racked up 12 points against the Fire Department. Jack Byrne and Jack Dederman both tallied eight points.

The Vikings, sponsored by the Viking Sports Center, have eleven wins in twelve starts. The team will not play until Wednesday, February 9 when they meet the Verde Club basketball team.

RETURN FROM MEXICO TRIP

Mr. and Mrs. J. N. Pitcher of Burlingame, formerly of Daly City, are expected home Saturday evening by plane from a two weeks tour of Mexico. Mrs. Pitcher is the former Anita Mooney.

Their 2½ year old daughter Melanie is staying with Mrs. Edward Mooney, 263 Crocker avenue, and Meredity, 4½ years, is staying with Mrs. Dorothy Leonard, a school chum of Anita's, also of Daly City.

Other officers chosen were George L. McMahon, Burlingame, first vice president; Mrs. Merritt Hosmer, San Carlos, second vice president; Landis Weaver, Menlo Park, third vice president; Don R. Godkin, Hillsborough, was re-elected treasurer; George Felty, Millbrae, was re-elected secretary.

The annual Lincoln Day Dinner will be held at 7:30 p. m., February 10 at the Villa Chartier in San Mateo. Mrs. Merritt Hosmer is chairman with E. L. Richardson of San Mateo in charge of tickets.

Jefferson Union High P.T.A. News

The regular January meeting of Jefferson Union High School P.T.A. was held at the school last Thursday. Speaker for the day was Stanford Hannah, principal of the high school, who spoke on securing a perpetual plaque for the sophomores and freshmen on the Jefferson Essay Contest. Each year the winning student's name would be inscribed on the plaque. The unit voted $100 for the fund accessible for student welfare.

The president, Mrs. Mildred McGeein, and delegate, Mrs. Emma D'Isep, attended the regular presidents' meeting in San Mateo.

A planning meeting for Founders' Day was held at the home of Mrs. Eve Hobbs, Founders' Day chairman, in order to present a program at the regular February meeting. Mrs. Mildred McGeein, president, attended and Mrs. Stella Jensen, counselor for the high school unit, was also present. All P.T.A. groups of the Jefferson School District take part in the Founders Day program.

Letter Carriers, Auxiliary Install Officers Saturday

Golden Gate Branch No. 214, National Association of Letter Carriers and Golden Gate Ladies Auxiliary No. 441, N.A.L.C., will hold a joint installation of officers on Saturday evening, January 29, at 8 p.m., in Yosemite Hall, 110 Page street, San Francisco, at which time 21 of the letter carriers will be awarded lapel pins in recognition of their 35 years of individual service as letter carriers.

The following will be installed as officers of the organization: President, Vincent P. Murphy; vice president, Don Silva; financial secretary, Charles Menzies; recording secretary, Jack R. Sullivan; treasurer, Clement Gendotti.

President elect is a resident of Colma, living at 516 Midway avenue.

The bulge in a warship's side as a protection against torpedoes, and which is capable of being flooded or pumped out to control list and trim, is known as a "blister."

COLD WEATHER

OUTSIDE . . .

. . . but you can have warm weather inside by having a circulator, panel ray, floor furnace or basement unit, with or without thermostatic controls.

And, of course, there are many advantages to having a thermostat. It automatically controls room temperature 24 hours a day all year long, regardless of outside temperature changes. Avoid roasting or freezing. Let Tromborg install a thermostat on your present heating facilities for only $42.50. It will PAY FOR ITSELF within a year in gas savings.

Legion Auxiliary Initiates Fifteen New Members

Fifteen new members of Daly City Unit No. 410, American Legion Auxiliary, were initiated by the 26th District Ritualistic Team at their last regular meeting in the Legion Hall. They were Mesdames Mary Gilbert, Minnie Rovai, Erma Magnuson, Rue McGregor, Thelma Hamilton, Dolly Brush, Evelyn Hutchings, Dorothy Stewart, Frances Diltz, Marie Miller, Margaret Puricelli, Josephine Merlo, Delphine Huston, Miss Beverly Hamilton and Miss Phyllis Diltz.

Mrs. Helen Berreyess, president of the 26th District, American Legion Auxiliary, welcomed the new members into the District.

Members of the 26th District Ritualistic Team, who took part in the initiatory ceremonies were Mesdames Frankie Rhinehart and Dawn Andrews of Bernard McCaffery Unit, South San Francisco; Bea Camgros of Burlingame Unit, Juanita Henderson of San Mateo Unit; Margaret Kenney, Naomi Murphy and Hilda Prziborowski of Daly City Unit.

Mrs. Ethel Harris, membership chairman, reported a total membership enrollment of 105 members, 25 of which are new members. Any wife, mother or daughter of a Legionnaire interested in joining the Daly City unit is asked to contact her at 239 Peoria street, or phone DElaware 3-5549.

NEW ARRIVAL IN THE GALINDO HOME

At 11:20 on Thursday of last week, Geri Lynn Galindo made her appearance at the University of California hospital. She is the daughter of Mr. and Mrs. Jerry Galindo Sr., 173 Hillcrest drive. Geri has one sister and four brothers who will spend plenty of time spoiling her.

Paternal grandparents of the 6 lb. 6 oz. baby girl is Emiteiro Galindo, of Daly City, and maternal grandparent Mrs. Frank Davin of San Francisco. Geri Lynn is the 30th grandchild in the family and the 12th great-grandchild.

Women of Moose Will Meet Feb. 2

The San Francisco Chapter No. 739, Women of the Moose, will meet at 8:15 February 2 with the sewing club meeting at noon the same day. Both meetings will be held at the Moose Hall, 3053 16th street.

The bowling team of the chapter held a card party Tuesday night at the Moose Hall. Pinochle and whist were played.

The chapter's executive board met with the executive board of the Oakland chapter January 27 in the home of Mrs. Clotilda Guerrazzie. Plans were made for the National Conference to be held in San Francisco during August.

TRAFFIC COURT

Only 25 motorists were fined for violations of Daly City's traffic laws last Friday. Thirteen of these were speeders, six failed to give pedestrians the right of way in a crosswalk, five violated parking ordinances and two were fined for going through a signal.

Speeders were Bertha Armstrong, $5; Philip Danziger, $2.50; Corinne Keeffe, $7.50; Nancy Kimball, $10; John Martinson, $7.50; Robert Moot, $7.50; George Monroe, $5; Brian Murphy, $7.50; Rose McDonald, $7.50; Mary Pruett, $5; Carl Schuchardt, $5; Jack Stockstill, $2.50; Elizabeth Wheldon, $5.

Failing to yield the right of way to pedestrians were Arnold Airo, $5; R. T. Barney, $5; Donald Klein, $5; John Lamb, $5; John Porchivina, $5; Lorenzo Robatto, $2.50.

Improper parkers were Emily Eggert, $2.50; Charles McAvoy, $2.50; Joe Padilla, $2.50; C. A. Nelson, $1.50; and R. M. Woodfin, $5. Victor Hansen was fined $2, and Dorothy Porberts was fined $2.50 for going through a signal.

FRANK REHE RECEIVES AWARD

Frank Rehe, sr., owner of Frank's Union Super Service, was awarded a plaque by the Union Oil company at its annual sales meeting held Friday evening, January 14, at the St. Francis hotel. Of the 450 dealers present two received awards.

Merits for the plaque were based on appearance, salesmanship, and workmanship of Union Oil stations throughout the state. During the past six years, Frank has received a perfect record for his station.

LOOK BEFORE YOU TURN

When making a U-turn on a highway, be careful, urges the California Automobile Association. Slow down, and look in both directions before turning. Remember, also, that the California Vehicle Code prohibits such a turn on a curve or on a grade, unless the driver making the turn can be seen by an oncoming driver for a distance of at least 200 feet.

MOTOR VEHICLE PRODUCTION

American factories produced a total of 5,282,000 motor vehicles during 1948, reports the National Automobile Club. This total is 10 percent higher than that for 1947, only 76,000 units short of the all-time record high of 1929, and marks the second time in history that more than five million vehicles have been produced in a single year.

A lubber's line is a vertical black line marked on the inner surface of a compass bowl indicating the direction of the ship's bow.

NAVAJO NATIONAL MONUMENT

Navajo National Monument, located eighty miles from Flagstaff in Arizona, is reported by the National Automobile Club to be one of the most interesting features of the Navajo Indian reservation. Many prehistoric Indian ruins, ancient caves, and cliff-dwellings, delight the scientist and historian.

Cassiopeia's Chair is a constellation opposite the Big Dipper from Polaris.

A warehouse on the waterfront of a Chinese port is called hong.

A bending shackle is a device used to secure the anchor chain to the anchor.

"To see a fox" is to sight imaginary land—an illusion of overstrained eyes.

A defect of distended strands in wire roap caused by a kink is called a "birds nest."

KRYLON PLASTIC SPRAY PROTECTS SURFACES WITH A COLORLESS, FLEXIBLE, WATER-REPELLENT FILM

JUST A FEW OF ITS THOUSANDS OF USES!

USE it on chrome, silverware, copper, brass . . . prevents tarnishing, rusting, corrosion!

USE it on doors, kitchen walls, furniture . . . prevents water and alcohol rings, finger marks, smudges!

USE it on leather shoes, luggage, handbags... protects from scratches, water, wear . . . preserves shine.

USE it on garden and shop tools, precision instruments . . . prevents rusting, corrosion, pitting.

USE it on automobiles to waterproof ignition wiring, battery cables, chrome trim, canvas tops.

USE it on drawings, paintings, maps, blueprints . . . protects from dirt, grease, smudges.

automatic sprayer contains 12 ounces of Krylon 2.95

Here's the marvel spray you've heard about . . . read about in scores of magazines. It has been used by industry . . . proved by the Army, Navy and Air Corps.

Anyone can apply it. Just press the button and a fine spray of clear, colorless, flexible plastic covers the object. A little goes a long way. Dries in a minute.

Just spray it . . . protect it . . . forget it. Krylon covers with a durable, long lasting film that won't peel or crack . . . is water repellent . . . resists heat.

VAST DIFFERENCE

Traffic accident records reveal that there's a world of difference between careful driving and reckless driving—and in too many instances, it's the difference between this world and the next, observes the California State Automobile Association.

SAN GABRIEL ARCANGEL MISSION

San Gabriel Arcangel Mission located at San Gabriel in Los Angeles County, is reported to have been founded in 1771. In the garden back of the Mission is a magnificent white rose vine nearly a century old and still blooming.

SAFE WAY

Stepping out of your parked car on the "traffic side" may be stepping into the hospital or morgue. Squirming along the front seat to get out on the sidewalk may be a more bothersome way, but it is a way much less apt to end in bodily injury or death.

"THIS IS GOING TO BE A RARE SCENE!"

If a movie director was taking a shot of our Studio, he'd sure say it was a rare scene. Why? Well, because he'd see so many happy men and women who are getting greater value and finer work at MYRA'S PHOTO STUDIO, in Daly City! He'd say: "THIS is the big, important picture of friendliness and satisfaction." and he'd be absolutely right. Yes, every day our studio is the scene of photo value-giving IN ACTION. People exclaiming over our super service. Everyone saying how wonderful it is to have a studio such as MYRA'S PHOTO STUDIO in their own community. Come in today — or call us? Make it soon!

1949 HOUSE BUILDING YEAR

Somewhere between 800,000 and 1,000,000 units of housing will be built this year according to authoritative estimates.

A stadimeter is an instrument for measuring the distance of an object when its height, such as a ship's mast, is known.
